

ISE 2019

ProAV Working Group Presentations

David Chiappini
Chair for the AIMS ProAV Working Group
February 6th, 2019.

Agenda

- Richard Zwiebel, Vice President Systems Strategy, QSC
 - Why We Need Standards, A Historical Perspective
- Andrew Starks, Director of Product Manager, Macnica Technology
 - The Case for Standards
- Andreas Hildebrand, RAVENNA & IP Media Technology Evangelist, ALC NetworX in Munich
 - ST2110 Overview
- Scott Barella, Chief Technology Officer, Vice Chair for AIMS ProAV Working Group, Pesa
 - Elements of Control

Join AIMS

- If you believe that a true open standards approach is the right approach, then join the AIMS effort.
- You can help shape the next generation of ProAV video infrastructure and working methods.
- Let's make this happen together.
